## **Purchase Agreement & Health Guarantee**

Elite Bulldog guarantees that the puppy sold is in good physical health on this day of purchase. All age appropriate, necessary shots and de-worming have been given to puppy.

*Please read and initial each of the following:*

\_\_\_\_\_ The purchaser agrees to take this puppy to a licensed veterinarian of their choice within 72 hours for a health check at their own expense **in order for health guarantee to become valid.** Elite Bulldog must be informed immediately of this examination. Should the puppy be determined to be unfit for purchase due to illness, disease or congenital disorder, the cause of which is clearly attributable to the seller, the puppy may upon presentation of a written diagnosis from said veterinarian, be returned (along with all registration papers and current health records) for another puppy of equal value by the seller.

\_\_\_\_\_ Should a problem arise from the aforementioned examination, the Buyer/s agree to provide lab report/s and/or x-ray information from Buyer/s veterinarian to Seller's veterinarian and to bring puppy to Seller's veterinarian for a second opinion.

Problems excluded from health guarantee: Parvo Virus (unless symptoms appear within 3 days of purchase), Distemper (unless symptoms appear within 3 days of purchase), Corona Virus (unless symptoms appear within 3 days of purchase), Demodectic Mange, Elongated Soft Palate, Entropion, Cherry Eye, Dry Eye, Hip Dysplasia, Urethral or rectal Prolapse.

\_\_\_\_\_ If results of health examination warrants replacement of puppy, then replacement will be provided by the Seller from available stock on hand of comparable quality to the puppy purchased. Buyer/s acknowledges that it may be necessary to wait for a comparable puppy from the Seller's next available litter. The Seller, however, retains the option of refunding the Buyer/s purchase price rather than providing a replacement puppy.

\_\_\_\_\_ Should replacement of puppy become necessary, he/she will be returned to Seller immediately upon verification of illness/disorder along with his registration application or certificate which has been transferred solely to Seller.

\_\_\_\_\_ Purchaser must NOT vaccinate the puppy within 72 hours of delivery. This **will void** the guarantee.

\_\_\_\_\_ Elite Bulldog offers a replacement guarantee on our puppies up to 3-years of age. If the puppy develops a congenital or hereditary life threatening disorder, we will replace the puppy with another puppy of same sex, breed and equal value at our first opportunity provided the conditions below are met by the owner of said puppy. This puppy is guaranteed until (3) years of age against fatal and life altering congenital and genetic diseases of the following: Cancer, spinal disorder and congenital heart conditions of a severe life threatening or altering nature. We do not guarantee your puppy for hip or elbow dysplasia, mange of any kind or any other condition that can be treated and recovered from unless your puppy dies from it and purchaser pays to have an autopsy to ascertain reason. If reason is congenital and genetic, seller will

provide a replacement puppy of equivalent value within one (3) years. All heart conditions must have proper testing by cardiologists to determine that it is life long and cannot be treated other than with surgery.

\_\_\_\_\_ If puppy dies, a replacement will be offered providing the buyer has a veterinarian necropsy report which indicates that a congenital defect was the cause of death. Buyer pays all shipping costs involved in obtaining replacement puppy.

\_\_\_\_\_ Buyer agrees to provide routine veterinarian care for this puppy, including proper vaccinations, routine worm checks, heart worm treatments, and records of such care should buyer have to return puppy for replacement. If not done, this **VOIDS** guarantee.

\_\_\_\_\_ Buyer understands contract will be void if buyer fails to provide routine veterinary care, if puppy is sold, transferred or injured by accident or neglect.

\_\_\_\_\_ This guarantee does not cover any common puppy ailments such as worms, vitamin deficiencies, viral bacterial diseases, or disorders brought on by parasites or common traits in a Bulldog such as: Cherry Eye, Entropia, “loose” hips or skin allergies (such as démodé tic mange).

\_\_\_\_\_ This guarantee does not cover parasites of any kind, respiratory issues, colds or hypoglycemia (sugar shock). Puppy will be cleared by seller veterinarian within 72 hours of leaving to be certain it is not leaving our establishment with any of these problems. In small breed puppies hypoglycemia needs to be watched closely. Elite Bulldog suggests having nutritional on hand. Otherwise, Karo syrup or honey can be used.

\_\_\_\_\_ Elite Bulldog will not be responsible for veterinarian fees or costs. Buyer is aware that owning a puppy means regular trips to the veterinarian and understands that he/she will be responsible for all payments.

\_\_\_\_\_ There is no guarantee or warranty that the buyer will be able to show or breed the puppy regardless of show or breeding potentials.

\_\_\_\_\_ This contract is valid only for the original buyer and puppy, and is not transferable.
